

The Golden Ray of Light

Healing Light,
Healing Light,
Healing Light,

take residence in my form.

Healing Light,
Healing Light,
Healing Light,

take residence in my form.

Healing Light,
Healing Light,
Healing Light,

take residence in my form.

Allow the Breath of New Light to breathe freshness through my cells.

Allow the Breath of New Light to breathe clarity through my cells.

Allow the Breath of New Light to connect me into the Divine Spirit of Grace
that is inherent, pure, and true.

Dear Grace, feel me.

Dear Grace hold me.

Dear Grace encapsulate me with your healing light.

And It Is So.
