

I Am the Destiny of My Soul

**It is Here and Now, that I call forth all fractured aspects of my Being
to return into the wholeness of my Soul.**

**May the Diamond Portal of Alchemy, lead me deeper into my birthright,
my inherent state of be-ingness here upon Earth Anew.**

**May I reclaim the Magic and Majesty of my Divinity.
May I wield Creation into form at the will of my heart's choosing.**

**I Am Creator Light Incarnate.
I am the Destiny of my soul reclaiming the space of Sovereign Light.**

Within the Portal of The Diamond Helix of Golden Light, It Is So.

And It Is So.

And It Is So.

And It Is So.
